March/April 2007

We're Moving!

This spring will find us in a new location at the other end of the Apple Blossom Mall, in the Belk wing. You will find us sandwiched between 'Hallmark' and 'Bath and Body Works'. We are excited to play with the extra space in the new store, and start to fill it with new items. Although the exact opening day is still up in the air, the beginning of May is when you can expect to see the new store open for business.

Easter!

Hide our tasty treats and plush toys for an Egg Hunt, or present them in a beautiful Candy Bouquet. Either way, we will help you bring that special something to this spring holiday.

Keep a close eye on our web site for sales as we prepare to move and set up the new store.
